carrierjohnson + CULTURE

architecture + environments + brand strategy + graphics

Carrier Johnson + CULTURE is an award winning, international architecture firm that specializes in architectural design, landscape architecture, and more.

This project was competitively bid and bkm secured both the AV and Structured Cabling.

Carrier Johnson + CULTURE's vision was to give presentation capabilities to various rooms and provide a "media wall" in the center of the space.

SCOPE OF WORK:

- 1 Floor
- 11 Rooms

From working with Carrier Johnson + CULTURE's ISP for Backbone Fiber to integrating user-friendly Audio-Visual systems in complex spaces, bkm has continued to serve Carrier Johnson + CULTURE's technology for 3+ years after project completion.
